Erika -

One last thing, at least for now.

Attached is a two page chronology on the Bay Delta debate, going back to around 1990. I know that seems a little silly, but most of the people working on this stuff have been doing it a long time, and they talk about things like the Accord or the ROD as if it happened yesterday. Kind of like Southerners talk about the Civil War.

Let me know if there is anything I can do to help. (415)972-3945.
